

ENVIRONMENTAL SCIENCE (ENVSCI) COURSES

ENVSCI 100 3 Units

Introduction to Environmental Science

Lecture: 54 contact hours

Advisory: Eligibility for college level English and Mathematics based on the SBVC Guided-Self Placement process.

This course is an introduction to environmental issues from a scientific perspective. It focuses on physical, chemical, and biological processes within the Earth system, the interaction between humans and these processes, environmental racism and environmental justice, and the role of science in finding sustainable, culturally appropriate solutions.

Associate Degree Applicable

Transfers to both UC/CSU
