

BUSINESS ADMINISTRATION ASSOCIATE OF ARTS DEGREE

The Business Administration Associate of Arts degree helps students start or advance careers in the business field. By enrolling in this degree program, students will develop skills required to plan, organize, make effective decisions, communicate, and lead complex organizations. For those already working in the business field, but lack the education to advance their career, obtaining an associate of arts degree in Business Administration can help move to the next level.

Two of the greatest benefits of a career in business administration are the flexibility and choice of industries that offer employment. Business Administration graduates can work in fields such as Human Resources, Marketing, Pre-law, Small Business, International Management, Sales, Accounting, Banking Finance, Management, and Import/Export.
