To earn an SBVC Associate Degree students must complete one of the following general education patterns:

SBVC GE requirements (<https://www.valleycollege.edu/student-services/counseling/graduation-requirements/>)

CSU GE requirements (<https://www.valleycollege.edu/student-services/counseling/csuge/>)

IGETC requirements (<https://www.valleycollege.edu/student-services/counseling/igetc/>)

## Program Learning Outcomes

At the completion of this program, students will be able to:

- Differentiate characteristics of typical and atypical development and identify developmental milestones in all domains.
- Identify and use appropriate inclusion strategies and create adaptations with children with a variety of disabilities and special needs in early childhood settings.

- Develop, create, and modify curriculum and individualized education plans to work with children with special needs and disabilities.
- Recognize and apply laws and regulations related to working with children and families with disabilities and special needs.
- Identify and assess resources for children and families with special needs and disabilities and advocate for the needs of all children and families.
- Write and speak clearly to communicate with other professionals, parents and colleagues.
- Analyze, describe and use inclusive, equitable, antibias and antiracist teaching practices and family interactions for working with children and families.
