

# CHILD DEVELOPMENT - MASTER TEACHER CERTIFICATE OF ACHIEVEMENT

The Master Teacher Certificate is designed to prepare students to supervise, mentor and assist other teachers and aides in a preschool or child care and education setting. The Master Teacher Certificate requires 37 CD units which includes six specialization units and 4 units of CD Practicum/ Field Work experience with children preschool-12 years of age plus a minimum of 16 general education units. General Education units need to come from the each of the following categories and meet Valley College GE requirements: English, Social and Behavioral Sciences, Humanities and Math or Science.

*This Certificate meets the course and unit requirement for the Master Teacher Permit through the California Commission on Teacher Credentialing. Please note that students must also meet the experience requirement of 350 days of 3+ hours per day within 4 years.*

## Program Learning Outcomes

**At the completion of this program, students will be able to:**

2 Child Development - Master Teacher Certificate of Achievement

- a. Develop an integrated personal philosophy into classroom practices that reflects an understanding of typical child development, health safety and nutrition, developmentally, culturally and linguistically appropriate practices, ethical and professional practices and high quality standards.
- b. Use the observation, planning and implementation cycle to create, implement and evaluate environments, individualized curriculum and activities that support developmentally, culturally and linguistically appropriate, inclusive, play and learning for children.
- c. Develop strategies to respect the diversity of children and families and then empower families, and use resources that promote supportive relationships and partnerships between programs, teachers, families and their communities.
- d. Apply effective positive guidance and interaction strategies that support young children's learning, self-confidence and identity.
- e. Develop a specialization in Child Development using 6 units of a content area in a specific area.
- f. Identify stages of adult development and learning, and implement strategies to mentor adults who are learning to work with children.
