

# AB 705

---

Assembly Bill 705, which took effect on January 1, 2018, requires a community college district or college to maximize the probability that the student will enter and complete transfer-level coursework in English and Math within a one-year time frame. Colleges are required to use high school coursework, high school grades, and high school grade point averages as a means of placement into English and Math courses. Please consult with a counselor for additional information. See AB-705 website (<https://www.valleycollege.edu/student-services/ab-705/>) for additional information.
