Website

The Counseling Department is committed to ensuring a safe and supportive environment and valuing individual lived experiences. Counselors are essential in providing student-centered counseling services and ensuring equitable access and empowerment to a diverse community of learners.

The Counseling Center serves as advocates and allies to all students. Counseling faculty are available to assist students in making informed decisions about their academic, career, and life goals and to provide appropriate information and guidance to ensure that courses selected in an educational plan meet the requirements for associate and associate-transfer degrees, certificates, university transfer, and/or career advancement. Additionally, counseling faculty build a connection with students by utilizing a student-centered approach, as we understand that life happens and pathways change, but we are here to help them to stay on the right path to be successful.

The Counseling Center is committed to working towards student equity and inclusion by increasing student success and completion. As well as being advocates for our students by being up-to-date on the latest initiatives including within the framework of Student Success Act of 2012, AB 705, and Guided Pathways. By virtue of these laws, students are required to undergo the following:

- College orientation
- Guided-Self Placement
- Academic advising for basic skills as applicable
- Identification of a course of study (commonly called a major)
- Initial education planning leading to a comprehensive education plan
- Follow-up services to complete their academic goals within a reasonable time

Services that are available through the Counseling Center that include but not limited to the following:

- Educational and career planning including the development of students abbreviated and comprehensive education plans for students
- Assistance with appointments for abbreviated education plans for one to two semesters to accommodate immediate scheduling needs for registration are scheduled during the entire academic year

Note: Due to the influx of students during peak registration periods, it is highly recommended that appointments for a comprehensive education plan be made during non-peak registration periods from September until mid-October, February, and March. The comprehensive education

plan covers all semesters required for the achievement of a student's educational goal/s.

- Personal counseling to meet the short-term needs of students with personal concerns which impact their academic life
- International student counseling to meet specialized enrollment and counseling needs of students with F-1 Visas
- Comprehensive counseling for various special populations/learning communities, such as Puente, veterans, and athletes

Counseling services are provided to prospective, new, and continuing students on an individual and/or group basis as well as online. Students may be assisted by appointment via in-person, virtually, or through the virtual Drop-in Lobby. To make an appointment, please call or view the Counseling website. For additional information, visit our website (<https://www.valleycollege.edu/student-services/counseling/>).

San Bernardino Valley College's Dreamers Resource Center (DRC) is designed to improve student success and help to successfully transition undocumented students, AB540 students, DACA students, Dreamer students and those from mixed status families into college. The center provides academic advising, counseling, referrals to student services programs and community legal resources in a welcoming and safe environment where Dreamers can connect with campus and community resources. Dreamers visiting the DRC are provided resources intended to assist students in completing their educational and career goals. Bilingual services are available (English and Spanish) Hablamos Español.

The center is part of the First-Year Experience program. Staffing the DRC are a full-time counselor, adjunct counselors, Dreamer's liaison, and student ambassadors. We also have designated Dreamer's Liaisons on different departments throughout campus that support Dreamer students with completing financial aid applications and additional paperwork required. Students who are part of our program will receive textbook assistance, financial aid information and have access to our computer lab where they will be able to print for free. Some of the requirements to be part of our

program are to meet with one of our counselors, participate in 2 workshops and complete a progress report each semester.

EOPS/CARE/NextUp Programs

Location: AD/SS 202

Phone Number: (909) 384-4412

Website

Extended Opportunity Programs & Services (EOPS) is a state-funded student services program designed to provide academic counseling and specialized support services to students who are both economically and educationally disadvantaged. The EOPS Program promotes student success by way of extended counseling support, priority registration, and textbook purchase assistance - just to name a few. Participation in this program is open to California residents and to AB540 students who are eligible for the California College Promise Grant (formerly known as Board of Governor's Fee Waiver) A or B, have completed less than 70 degree-applicable units, are enrolled or plan to enroll full-time each fall and spring semester, and are considered educationally disadvantaged based on responses to questions on the EOPS application.

EOPS-eligible students who are also single-head of household, have at least one dependent child under age 18, and currently receiving County CalWORKs benefits for themselves and/or for their dependents may also be eligible to participate in Cooperative Agencies Resources for Education or the CARE Program. In addition to the EOPS services mentioned above, the CARE Program provides grants, single-parent conferences and seminars, meal cards, gas cards, and school supplies.

The NextUp Program is a supplemental program of EOPS designed to support eligible current and former foster youth. Students enrolled in NextUp receive all services provided to EOPS students in addition "over and above" services exclusive to NextUp students such as access to a NextUp counselor, need-based grants, school supplies, textbook purchase assistance, transportation assistance, and meal cards.

All EOPS, CARE and NextUp support services are contingent upon funding. Fall applications are accepted as early as April every year, and Spring applications are accepted as early as October.

Puente Project

Phone Number: (909) 384-8255

Website

The Puente Project is a national award-winning program that helps tens of thousands of educationally underserved students who enroll in four-year colleges and universities, earn degrees, and return to the community as leaders and mentors for future generations. Puente has been at SBVC since 1984 and is a successful statewide transfer program sponsored by the University of California and California Community Colleges. Puente consists of three components: Writing, Counseling, and Mentoring.

Students take three writing classes: ENGL 101 and ENGL 087 in the fall and ENGL 102 in the spring. Students build confidence in their writing skills through an exploration of Mexican American/Chicano/Latino literature. The English courses are linked with a one-unit class, SDEV 015, in the fall, and a three-unit class, SDEV 102, in the spring.

Puente is open to all students.

- Puente students attend the Puente Motivational Conference in the fall semester and are exposed to cultural activities year-round.
- Puente students complete their English course sequence requirement to transfer to a CSU or UC in one year.
- Students have the option to receive resources such as a Google Chromebook, assigned textbooks for Puente classes, and visits to four-year universities while they are a part of Puente.

Scholarships and Awards

Location: Campus Center (CC) 226

Phone Number: (909) 384-4471

Website

Scholarships are offered each year to students enrolled at San Bernardino Valley College and detailed information is available to students year-round at the SBVC Scholarship Website. There are two types of scholarships available to students, *Inside Scholarships and Outside Scholarships*. Most scholarships are funded through businesses, associations and college organizations; however, some are funded through individual donations to the SBVC Foundation. Scholarship recipients are selected based on a wide variety of criteria including, in some cases, academic achievement, financial need, community service and barriers or obstacles to their education.

The Scholarships Office administers the program in conjunction with the SBVC Scholarship Committee, which is composed of faculty and staff from across the campus. Students who have completed 12 units or more at SBVC may apply for the Inside Scholarship, which includes over 100 individual scholarships by completing the online application between October and January each year.

Outside Scholarship information is available 12 months out of the year, and scholarship workshops are available to assist students with the process. Scholarship workshops are especially helpful for first time applicants and specialized populations such as AB540, disabled students, foster youth, transfer students, re-entry students and other students facing challenges to funding their education. Students are advised to check the website monthly for workshop schedules, updates and new scholarship postings.

The mission of Student Accessibility Services (SAS) for San Bernardino Valley College (SBVC) is that all students will have the tools necessary to compete globally by strategically utilizing the skills learned from their individual collegiate experiences at SBVC. SAS team members will facilitate growth, inclusion, and critical thinking to develop leadership and address the diverse learning abilities of students. As a result, students will cultivate strategic ways of navigating their academic, social, and personal goals through self-advocacy, campus involvement, and community awareness that will propel them to continue their educational and career opportunities. The vision of SAS is that staff members are here to support students and their academic endeavors. As students utilize the services they need, it is our intention to encourage students with the skills necessary for them to advocate for the equitable educational opportunities they deserve.

Academic adjustments and auxiliary aids include alternate media, assistive technology, American Sign Language interpreters, assistive listening devices, spell checkers, tape recorders, magnification devices, specialized keyboards, and computer-assisted real time transcription. Services include SAS intake and orientation, learning disabilities assessment, academic counseling/advising, education planning, disability-related counseling, personal counseling, vocational counseling, vocational

plans, referral to campus and community resources, note takers, campus orientation, priority registration, registration assistance, assistive technology assessment and training, scribes, e-text, and test-facilitation. Educational assistance courses provide specialized instruction and tutoring in math, reading, and spelling.

Students with permanent or temporary disabilities may apply for SAS. Decisions regarding eligibility are made on an individual basis. For more information, contact SAS by phone at (909)384-4443, by email (sbvcsas@valleycollege.edu), or visit the SAS Office in the Administration/ Student Services Building, Room 105.

Student Health Services

Location: Parking Lot 8, South of the Track and Football Field

Phone Number: (909) 384-4495

Website

Student Health Services provides services to keep students healthy so they can achieve their academic goals. Our integrated facility offers both physical and mental health services provided by a variety of skilled counselors and practitioners. Educational experiences are also provided to support students in developing and maintaining optimal levels of health and quality of life. There is no charge for office visits, however a nominal fee is charged for medication, lab tests, and immunizations. A Health fee is paid at the time of registration to support Student Health Services. The amount of this fee is posted in the *Class Schedule*. In addition to the health fee, International Students attending SBVC on a student visa must purchase international insurance through the Counseling Center, which covers repatriation and medical evacuation expenses in addition to medical coverage. They must also provide a negative tuberculin skin test or a chest X-ray.

Students are not charged the health fee if they qualify for one of the following exemptions:

- Apprentices attending college under an approved training program;
- Students attending college classes on high school campuses;
- Students enrolled only in community services classes;
- Students who depend exclusively upon prayer for healing in accordance with the teachings of a bonafide religious sect, denomination or organization (documentation required).

Those students who do not attend classes on campus, or who are registered only for Distributed Education classes, will pay only an accident insurance premium of \$1.50 per term. This is a secondary insurance and requires a \$50 deductible.
